Mr Christopher Leckie
Business Development Manager
Victorian Chemical Company PTY. LTD.
83 Maffra St, Coolaroo
Victoria, 2048, Australia

Dear Mr Leckie

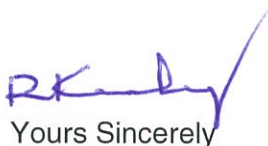

APPROVAL OF NEW ADHESION AGENT – AGGREBOND PC

Your product AGGREBOND PC, a concentrate without the addition of diluents or other materials was submitted for approval against Main Roads WA Specification 511.

AGGREBOND PC is now approved for use in both spray sealing and asphalt applications.

Main Roads WA Specification 511 which lists the approved adhesion agents will be updated to show AGGREBOND PC in its next update. Until the update, this letter can be used as the approval of the adhesion agent for Main Roads WA Specification 511.

If you require any further information please contact Chris Skantzios on 9323 4762. In reply please quote file reference 07/3837-02.

Yours Sincerely

Ross Keeley
Pavements Manager
